University of Nebraska – Lincoln Extension Educator. A master’s degree is required for the position and we are looking for individuals with a degree in Agronomy, Crop Sciences, Agricultural Economics, Agricultural Mechanization, or a closely related field. We are willing to consider both December 2011 and May 2012 graduates. Please see details listed below.

Full-time, non-tenure leading, faculty position located in the Panhandle Research and Extension District which includes Box Butte County at the University of Nebraska-Lincoln. This position will provide strong regional leadership in delivering research-based programming in at least two of the following areas: crop production, water resource management and/or farm business management. Criminal history background check will be conducted. Must meet driver standards according to UNL policy and have a Valid Driver’s License.

Required Qualifications: Master's degree with one degree in Agronomy, Crop Sciences, Agricultural Economics or Agricultural Mechanization or other closely related field required. Successful experience teaching in a formal or non-formal setting. Demonstrated ability to communicate (publications, teaching experiences, presentations).

Review of applications will begin on January 20, 2012. Position will remain open until a suitable candidate is found or search is closed. For a detailed job description, additional preferred qualifications and how to apply, go to [http://employment.unl.edu](http://employment.unl.edu) and search for requisition #110952.
