

What: Commodity Broker Internship

Who: Progressive Ag Marketing, Inc.
417 38th St. SW, Suite A
Fargo, ND 58103

Progressive Ag Marketing, Inc., the top marketing firm in the country for 8 straight years (See <http://www.agweb.com/top-producer/marketing/adviser-track-records/> and scroll down and click on the year you'd like the track record for) , is seeking applicants for two commodity broker internships in their Fargo, ND office.

These part time 2 and 3 year internships will be excellent training for a career in commodity marketing, commodity brokerage, elevator management, ag sales, and ag consulting. Applicants will have the opportunity to be sponsored to take their Series 3 test to become a commodity broker in their internship, and will get great experience working with customers selling them services, servicing the consulting package, and providing brokerage services to customers.

Compensation: Starting salary will be \$10/hour plus the opportunity to earn commission for sales that could amount to an additional \$10-\$20/hour or more for a total of \$20-\$30/hour compensation.

Qualifications: Applicants must have enrolled at NDSU in Agricultural Economics or Agribusiness, and have interpersonal skills that will lead to success in sales/service of accounts.

Description: This position will be responsible for following up leads of potential marketing customers from our nationwide marketing program this fall and winter. These prospects will be interested in subscribing to Progressive Ag Marketing commentary, advice, full service programs, or are interested in opening a trading account (you must be Series 3 Licensed to solicit trading accounts) and your job will be to help them select the services that most meet their marketing needs. This position also may be asked to call back fills, margin calls, and other service related projects assigned from time to time by management.

This is a part time, 10-20 hour/week position for a student who is majoring in Agricultural Economics or AgriBusiness Management at North Dakota State University. Preference will be given to sophomores and juniors who have taken a class with curriculum in futures/options trading at NDSU.
