The Hubbard Feeds division is seeking qualified applicants for the role of Grain Department Manager at our Bismarck, ND location.

This position leads the grain function for this location in several areas including purchasing of grain from customers, managing the inventory for the location, leading the selling and shipment of grains to various markets, overseeing the logistics for transportation of grain and ensuring regulatory/governmental compliance. In addition, this position will assist in the retail center as needed.

The ideal candidate will have a well-rounded background including a solid understanding of grain markets, progressive experience in a related industry and trade school or college degree. Qualified candidates enjoy working in a small team environment and possess solid customer service and computer skills.

Ridley provides a competitive pay and benefit program including base salary, annual incentive pay opportunity, a choice of 3 health plans, 2 dental plans, life insurance, disability plans, holidays, vacation and a 401k plan with a generous employer contribution. If you would like to be considered for this opportunity, submit your resume to employment@ridleyinc.com
