

Money Skills Untangled

Students learn financial skills

- through six interactive videos;
- through role playing as an adult with a job, a family, and a budget; and through realistic life scenarios

Topics covered:

- Your Money Plan - Budgeting
- Online Spending
- Wants vs Needs
- Investing 101
- Credit
- Financial Institutions

The finale of the program - an improv performance of Mad About Money. Helps reinforce the financial concepts learned throughout the program.
