What: Celebration of over 40 years of veterinary technology education at NDSU
When: Friday, October 6, 2017; 5-11:55 p.m.

Please join us for an evening of dining, laughing, and reminiscing. No matter where life has taken you, we all started as veterinary technicians/technologists attending this program, and we would LOVE to hear your story! This event is being held the same weekend as the NDVTA Annual CE Conference in Fargo, so come for the continuing education and get the bonus of our party. Cocktails will be at 5 p.m., the meal is at 6 p.m., and will be followed by family friendly entertainment.

Official invitations including RSVPs will be posted closer to the day of the event.

With the current hiring freeze and both Holly Erdmann and Megan Kortie leaving Animal Sciences, we are forced to discontinue publication of both Animal Sciences News and Animal Sciences Alumni News until further notice. Thank you to all of our loyal readers and contributors. In the meantime, please keep up with department happenings by viewing our department homepage (<https://www.ag.ndsu.edu/ansc/>) and Facebook page (<https://www.facebook.com/NdsuAnimalSciencesDepartment>).
