Animal Sciences Seminar

Speaker: Christen Jackson, Graduate Research Assistant
North Dakota State University Animal Sciences

Topic: The Use of Estrus Synchronization in Sheep

Date: Friday, March 4, 2011
Time: 3:00–4:00 p.m.
Location: Hultz Hall 104

Christen Jackson grew up in Bismarck, North Dakota. She developed a passion for the livestock industry when she began showing dairy cattle at a young age. Christen attended North Dakota State University and became involved in undergraduate research under the guidance of Dr. Kimberly Vonnahme. She graduated in May 2010 with a B.S. degree in Animal Science and began her M.S. program in the fall of 2010 under the direction of Dr. Reid Redden.
