Week of October 23, 2011

Animal Sciences Graduate Seminar – Kendall Swanson, Coordinator

Speaker: Megan Van Emon, Graduate Student
NDSU Animal Sciences

Topic: Effects of Feeding Dried Distiller's Grains Plus Solubles to Ram Lambs

Date/Time: Friday October 28, 2011
Time: 3:00-4:00 p.m.
Location: Hultz Hall Room 104

Megan Van Emon is originally from Columbia City, Indiana. She grew up on a small farm and raised animals for 4-H. Megan graduated from Purdue University with B.S. and M.S. degrees in ruminant nutrition. She is currently working toward her Ph.D. under the direction of Drs. Chris Schauer and Kim Vonnahme.

NDSU Equestrian Team Opens Show Season – Tara Swanson, Coach, with Ellen Crawford, NDSU Agriculture Communication

North Dakota State University’s equestrian team won high-point team honors both days of its first competition of the season October 15 and 16 in River Falls, Wisconsin.

Team member Shannon Voges, a senior from Courtland, Minnesota, also was named high-point rider October 15. She is one of 24 members on the 2011-12 team, which consists of 12 returning riders and 12 new members.

“The team displayed a tremendous amount of talent and enthusiasm at the first show, which I am expecting will continue throughout the show season,” says Tara Swanson, the team’s coach.

The team’s next competition will be October 29 and 30 at the University of Minnesota-Crookston.
