Animal Sciences News

Week of October 7, 2012

Graduate Seminar – Anna Grazul-Bilska, Coordinator
There is no seminar on Friday, October 12, due to the College of Agriculture, Food Systems, and Natural Resources faculty meeting.

Bison Dairy Club
The Bison Dairy Club is for anyone who is interested in the dairy industry. Goals of the organization are:

- Actively promote an interest in the dairy industry and the College of Agriculture, Food Systems, and Natural Resources at NDSU.
- Provide members with educational and recreational activities to learn about the future of and placement within the dairy industry.

Major activities include attending regional and national American Dairy Science Association conventions, participating in the Living Ag Classroom, taking tours of local dairies, a fall trip, and a variety of other functions throughout the year, including participating in Little International and Dairy Challenge.

The club meets every other Thursday in Shepperd Arena. The next meeting is October 11 at 7:30 p.m. For more information, contact club advisor Todd Molden (356-3282 or todd.molden@ndsu.edu) or Luke Fellbaum (320-360-0920 or luke.fellbaum@ndsu.edu).
