**Dates Set for 2014 Little I – Eric Berg, Advisor to S/S Club**

Traditionally, the Little International festivities are held the second weekend of February. This year, the dates for Little I will be February 14 and 15.

The Little I judging contests and Hall of Fame Banquet will be held on Friday, February 14. Showmanship preliminaries, alumni luncheon, ag engineering show, showmanship finals, and the Dance in the Chips will all be on Saturday, February 15.

Please mark your calendars and plan to attend!

**Jeng Hung (Leo) Liu is New Graduate Student**

Jeng Hung Liu is a new graduate student. He has his office in Hultz 128. His phone number is 231-7631 and email is jenghung.liu@ndsu.edu. Following is what he has to say by way of an introduction.

“Hi, my name is Jeng Hung (Leo) Liu. I am from Taiwan, which is a small island near China. I came to the U.S. and lived in Ohio for three years in my childhood during kindergarten and elementary school. After that I went back to Taiwan.

In college, I majored in Animal Science for my bachelor’s and master’s degrees. Now I have come to NDSU for my Ph.D. under the direction of Dr. David Newman.

I play volleyball or swim for sports and I have broad interests that include music, outdoor activities, and computers – almost everything besides studying! I am very excited to be in North Dakota and hope to have a good time here!”
