Vonnahme Selected to Participate
Dr. Kimberly Vonnahme, associate professor in Animal Sciences, was selected as a participant in the American Society of Animal Science-The European Federation of Animal Science (EAAP) speaker exchange. Dr. Vonnahme is chairing a session at the EAAP annual meeting in Copenhagen, Denmark, being held August 24-29 entitled, “Embryonic and Foetal Programming.” She will also be presenting an invited talk entitled, “Assessing placental function in our livestock species to ensure adequate fetal development.” She is joined by scientists from New Zealand, Australia, and Denmark whose work focuses on nutritional impacts during pregnancy on the postnatal growth of livestock species.

Born Sunday, August 17, 2014; at 4:04 p.m.; at his home
Weight – 8.0 pounds
Proud Parents –
Erika and Eric Berg
Proud Sisters – Anna and Ida Berg

This publication will be made available in alternative formats for people with disabilities upon request, contact Holly Erdmann, Animal Sciences News editor at (701) 231-7513. NDSU is an EO/AA employer.
Thank you!

Thank you to all who helped make the Animal Sciences Alumni Roundup in Detroit Lakes, MN, last Saturday a huge success. Eighty-five people attended the event. A total of nearly $15,000 was raised toward student scholarships at the auction of items donated by our sponsors and alumni.

The members of the planning committee were: Skip Anderson, Justin Crosswhite, Lisa Dubbels, Kasey Maddock Carlin, Julie Nash, and Jordan Schrupp. (photos by Julie Nash)

Welcome to the Alumni Roundup!

Pontoon rides on Big Detroit Lake

Food from BBQ Boot Camp crew

Catching up with old friends

Party time!
**Defensive Driving Classes Scheduled** – Tammy Aronson, Safety Office
Robin Stephens from North Dakota Department of Transportation has scheduled two Defensive Driving Courses at NDSU this fall. The classes will be as follows:

- Tuesday, September 9, 8:00 a.m.-12:00 noon
- Tuesday, October 28, from 8:00 a.m.-12:00 noon

Fleet Services requires those who operate fleet vehicles, on at least a monthly basis, to take the National Safety Council Defensive Driving Course (DDC) as soon as practical after accepting employment, and every four years thereafter. Training for those who operate fleet vehicles less than monthly is at the discretion of agency trainers or risk managers. Fleet Services also requires those who have been involved in a motor vehicle accident with a State Fleet vehicle, or those who have received a traffic citation while operating a State Fleet vehicle in the past 12 months, to attend the DDC course within the calendar year of the accident or citation.

The University Police and Safety Office (UP&SO) encourages those who operate State Fleet vehicles less than monthly to attend the DDC class also, keeping in mind that priority will be given to those who meet the requirements above.

For registration, contact Tammy Aronson with the UP&SO at: tammy.aronson@ndsu.edu or 231-5637.

**Reminders:**
There is no Friday Afternoon Club this week.
Office hours return to 8:00 a.m. to 5:00 p.m. next week.
