Graduate Seminar – Eric Berg, Coordinator
Speaker: Mattia Gunkelman, NDSU ANSC Graduate Student
Topic: Insights into Equine Lameness and Internal Structure of the Hoof
Date/Time: Friday March 13, 2015; 3:00 p.m.
Location: Hultz Hall 104

Mattia Gunkelman is from Glyndon, MN. She attended NDSU where she received her B.S. with a double major in animal science and equine science. She is now completing her M.S. degree in animal science under the direction of Dr. Carrie Hammer. Her interests are in equine lameness and internal anatomy of the hoof. While working on her M.S. degree, she is also coaching the NDSU hunt seat equestrian team.

Riding on Angels’ Wings Fundraiser – Erika Berg
Looking for a night of tremendous fun with the added benefit of supporting your community? The 5th annual Mixed Stag Fundraiser for Riding on Angels’ Wings Therapeutic Riding Program will be Friday, March 20, at the Red River Valley Fairgrounds Hartl Building. Doors will open at 6 p.m. Tickets are $30 each (includes dinner) and can be purchased from Erika Berg.

ROAW is a community partner of the Animal Sciences Department for the minor in Therapeutic Horsemanship.

Years of Service Recognition – Colette Erickson, Human Resources/Payroll
The annual Recognition Social to honor staff for years of service at NDSU will be held Monday, April 6, in the Memorial Union Great Plains Room. This year, Wanda Keller will be recognized for 30 years of service to the university.

Congratulations, Wanda, and thanks for all your hard work!

Birds in the Vet Tech Program – CAFSNR Facebook page
The Center for Avian Adoption, Rescue, and Education (C.A.A.R.E.) provided animal educators for our Animal Restraint Lab. If anyone would like to contact the group, they are available at C.A.A.R.E., 2202 Second Avenue East, Suite D, West Fargo, ND 58078; 701-293-3833.

NDSU – March 8

Happy Anniversary

125 Years
