Sheep Ultrasound Workshop

Dec. 1, 2012
11 a.m.–3 p.m.
NDSU Sheep Unit in Fargo (corner of I-29 and 19th Ave. N.)

This workshop will help veterinarians and veterinary technicians improve their skills in testing for pregnancy in sheep. Four breeds of sheep, some of which are known for multiple pregnancies, will be on hand for the workshop. Ewes will be at multiple stages of gestation, which will allow participants to gain experience in determining pregnancy, stage of gestation and number of lambs.

11 a.m. Educational session
Noon Lamb lunch
1-3 p.m. Ultrasound practice

Registration: $50
Make checks payable to NDSU Animal Sciences
Registration deadline: Nov. 23, 2012
BYOU – Bring Your Own Ultrasound
We will have a couple of ultrasound units on hand if one is not available to a participant.

NDSU is an EO/AA institution.
This publication will be made available in alternative formats for people with disabilities upon request, (701) 231-7881.
