Beef Cattle Production Internship Opportunity

Rockeman Herefords is a unique Cow-Calf operation located near Donnybrook, ND, just 45 miles northwest of Minot, ND. The diversified crop and livestock operation consist of both registered and commercial cattle, a permitted CAFO, backgrounding and heifer development lots.

This internship is geared towards a student enrolled in an Animal Sciences focused degree with optional equine learning opportunities if interested.

Interns will assist with daily tasks and expand their knowledge in the following areas:

- Calving
- Daily Herd Health Checks
- Sick Calf Management
- Esophageal Feeding of Calves
- IV Fluid Administration
- Treatments and Medications
- Record Keeping and Maintenance
- DNA Sample Collecting
- Branding
- Artificial Insemination (Heifers and Cows)
- A.I. Synchronization Protocols
- Feedlot Management
- Ration Balancing (Various Classes of Livestock)
- Breeding Soundness Exams and Semen Testing
- Grazing Management
- Feedlot Pen Maintenance
- Nutrient Management
- Low Stress Animal Handling
- Assistance with Veterinary Procedures
- Additional Projects as Opportunities Arise

Flexible scheduling options and weekly stipend available. Applicant screening will begin April 1st and continue until position is filled. Start date immediately following completion of classes.
