RECRUITING 4-H PROGRAM COORDINATOR

Full-Time Position Located In
Moorhead, Clay County, Minnesota

Who are we?
Extension is an outreach arm of the University of Minnesota that makes a difference by connecting community needs and University resources.

Minnesota 4-H fosters vibrant, sustainable and resilient communities by building a force of engaged young people who are able to learn and lead. We do this by creating experiences to develop youth as skilled communicators, innovators, and problem-solvers.

What will you do?
The 4-H Program Coordinator will lead and manage the county 4-H program. You will

● build relationships with 4-H families, volunteers, and partners
● recruit, train, supervise, and support Minnesota 4-H volunteers
● plan, manage, and evaluate educational programs and events
● promote the 4-H program to reach new youth and volunteers
● provide leadership to governing boards, committees, and clubs

We have excellent benefits!

● Paid holidays, vacation and sick leave
● Medical, dental, and pharmacy plans
● Retirement and life/disability insurance plans
● Starting full time salary ranges from $36,899.20 (2 years of experience) to $42,432.00 (4 years of experience), and additional based on experience.
● Tuition reimbursement (75%)
● Training and career development opportunities

Who’s right for the job?
We seek passionate and dynamic leaders whose vision is to see all Minnesota youth thrive!

We are looking for candidates with a Bachelor’s degree and a minimum of two years’ of related experience. Four years’ of experience is preferred. Experience may include a combination of employment, volunteer leadership, and experience in youth development programs.
