

Burleigh County 4-H Static Committee

May 30th, 2019

Members present Melody Morrison, Marie Horning, Kari Walth, Lynn Carlson

Extension Staff: Shaundra Ziemann- Bolinske

Chair Melody called meeting to order.

No minutes

Shaundra talked about the Utah Extension Service project area book. She explained we can use this book if we question should an exhibit be allowed in the Static Achievement Day.

Talked thru judges list and gave Shaundra some ideas of people who could be asked to be judges to fill in different project areas. Talked about grouping like exhibits together and having each judge only have 15 exhibits to judge.

Marie moved to allow judges to award Grand and Reserve ribbon in each group per age group (8-12) (13-18). Lynn 2nd. Motion passed.

Lynn moved to amend the motion to add if a project area is split into groups each group can have a grand and reserve. Example Creative Arts, Fiber Arts. Marie 2nd passed.

Judges are allowed to award Grand and Reserve ribbon in each project area based on age group (8-12) (13-18). If a project area is split into groups each group can have a grand and reserve ribbons awarded.

Marie will continue to work on games and activities for Static Achievement Days

Food for 4-H members and families will be provided by BNC National Bank. Judges food will be provided from Thrivent
