NAFCE Mission

Strengthening individuals, families, and communities through continuing education, developing leadership, and community action

Enduring the test of time, FCE members have cared about families and communities for more than 60 years.
FCE members have helped to initiate and sustain programs such as school hot lunch and rural bookmobiles. FCE members have provided seatbelt safety and lobbied for seatbelt laws. FCE members have been instrumental in reducing estate taxes and implementing a rating system for television programming. These accomplishments are a direct result of building strong families which in turn builds strong communities.

In keeping with society’s ever changing issues, today’s FCE focuses on three major concerns:

- **Continuing Education**
- **Developing Leadership**
- **Community Action**

By joining FCE, you will:
- Make friends
- Access educational programs
- Strengthen your family and community
- Have a voice in government
- Receive leadership training
- Make a **d**ifference
