

Crop Management Field School

Thursday, June 21, 2012

NDSU Carrington
Research Extension Center
Carrington, N.D.

Audience and Objectives

The target audience is crop advisers, but farmers and others with agricultural interests are welcome to attend.

The school's objective is to provide updates, using field demonstrations and research trials, on crop and pest scouting and management recommendations.

NDSU EXTENSION
SERVICE

Preregistration

Preregistration is requested by June 18. To enroll, submit the completed form and a \$75 fee to the NDSU Carrington Research Extension Center. The fee is \$100 if registering after June 18. Preregistration also may be completed electronically at the following website: www.tinyurl.com/CRECstore.

The number of participants is limited to 50. Registrations will be accepted on a first-come, first-served basis. Participants will receive reference materials, one meal and refreshments.

Six continuing education unit credits for certified crop advisers (CCA) will be available.

The information at the
Crop Management Field School
is for educational purposes.
