Crop Management Field School

Wednesday, June 19, 2019
NDSU Carrington Research Extension Center
Carrington, N.D.

Audience and Objectives
The target audience is crop advisers, but farmers are welcome to attend.

The school’s objective is to provide updates, using field demonstrations and research trials, on crop, soil and pest management recommendations.

Preregistration
Preregistration is required.
To enroll, submit the completed form and a $100 fee to the Carrington Research Extension Center by June 14. The fee is $150 if preregistering after June 14. Preregistration also may be completed electronically at: www.tinyurl.com/CRECstore.

The number of participants is limited to 50. Registrations will be accepted on a first-come, first-served basis. Participants will receive reference materials, one meal and refreshments.

Continuing education unit credits – Five continuing education unit credits will be available for certified crop advisers (CCAs).

The information presented at the Crop Management Field School is for educational purposes.

References to commercial products or trade names are made with the understanding that no discrimination is intended and no endorsement by NDSU Extension is implied.
