

# Bright Beginnings Program Usage Form

## Reporting Instructions

Facilitators using the *Bright Beginnings* curriculum material should:

- Make copies of the “Program Usage” form and keep it in a convenient place so you will remember to use them.
- Record all programming efforts using *Bright Beginnings* materials on the “Program Usage” form — parent classes, news columns, radio spots, workshop presentations, etc.
- If possible, complete a separate reporting form for each programming effort.
- Submit a copy of the completed form. The form is designed as a self-mailer — just fold, staple or tape, and stamp and mail. Mail to:
