

July-September 2019 Narrative

4H and Youth Development

July 8th– Breana and the Dickey County 4-H had 4-H clean up night. Working with Dickey County Fair-board we all cleaned up and set up for the 2019 fair.

July 11– Breana and Samantha kicked off the 2018 Dickey County Fair with Static Exhibit judging. This year we had 628 static events shown.

July 12– Consumer Decision Making judging contest was held at the fair on Friday afternoon. Breana and Samantha checked 4-H animals in. Breana helped organize and run the 4-H rabbit and poultry show while Samantha assisted the judge.

July 13-Breana was at the fair early Samantha helped as a ring steward. This year at the fair we had 78 Live-

stock entries. In the afternoon was the premium auction, the auction had a great bidder turnout.

July 14– Breana helped 4-H members pack up projects for the state fair on Sunday afternoon and pack static exhibits to take home. We had 104 static exhibits head

up to the ND State Fair.

July 17-27-ND State Fair. We had 4-H members compete at State Fair. In the livestock project area we had 6 beef, 2 dairy goats, 6 meat goats, 3 sheep, and 16 rabbits. We had 2 in project expo and 2 in clothing review.

July 21-24– Breana was 4H Horse Show manager. Responsibilities include registration, coordinating with Horse judges, State Fair staff, run the shows, recording scores, answering questions, etc.

August 21-Breana judged at the Ransom County Fair as a photography judge.

September-25-Breana attended the September 4-H Advisory Council meeting.

Agriculture and Natural Resource

July 30: Breana attended the North Dakota Prescribed Burn Cooperative meeting with Audobon Society, Na-

ture Conservancy, NRCS, and NDSU Extension. Meeting was to discuss the future plans for the educational program of prescribed burning in ND.

August 13-Breana attended the Dickey County Weed Board meeting.

August 14-James River meeting.

Breana attended the Soil Conservation

August 15-NDSU Oakes NDSU Specialists and graduate students shared with participants their on prior results.

Breana attended the Irrigation Field Day. Specialists and graduate students shared with participating research and

August 20-Breana attended the James Rive Soil Conservation held a salinity tour management day where they shared with participants a hands-on example of a field then had NDSU Extension Soil Specialist Naem Kalwar present on soil salinity management.

September 11– Breana taught the range session at the Soil Conservation District Eco Ed day. The youth learned about water quality, forestry, rangeland, soils, and wetlands. Then they learned about reptiles from the main speaker, The Reptile Man.

September 24-Breana attended the ND Chapter Society for Range Management tour held in Streeter, ND at the NDSU Grassland Research Center. Tour focused on the research that is benefiting native rangeland and the ecosystems.

General Extension

September 9 & 10-Breana was a guest speaker at the Ellendale career class and wen through the youth Real Colors training. Real Colors is a great personality tool to learn about ones self and how to work better in a team.

August 21-22

American Grassland Conference in Bismarck. Conference had many producers and professionals from U.S.A., South America, and Canada.

August 29: Breana organized a meeting with local Master Gardeners to discuss a future sensory/therapeutic garden.
