

AGRONOMY RESEARCH

Evaluation of Gem, Prosaro and Stratego foliar fungicide treatments for control of leaf diseases & FHB in spring wheat at the Dickinson Research Extension Center, Dickinson, ND 2008. <i>R.O. Ashley and G. Martin</i>	1
Bayer CropScience HRSW seed treatment performance trial near Mott, ND, 2008. <i>R.O. Ashley and G. Martin</i>	4
Vincit HRWW wheat seed treatment performance on bunt trial, New Hradic, ND, 2007- 2008. <i>R.O. Ashley and J. Ransom</i>	8
Vincit HRSW seed treatment performance trial near Mott, ND, 2008. <i>R.O. Ashley, and G. Martin</i>	10
Crusoe HRSW seed treatment performance trial near Mott, ND, 2008. <i>R.O. Ashley, and D. Barondeau</i>	13
NuFarm HRSW seed treatment performance trial near Mott, ND, 2008. <i>R.O. Ashley, and D. Barondeau</i>	16
NuFarm HRWW seed treatment performance on Bunt trial, New Hradic, ND, 2007- 2008. <i>R.O. Ashley, and D. Twist</i>	18
NuFarm HRWW seed treatment performance on Pythium trial, New Hradic, ND, 2007- 2008. <i>R.O. Ashley, and D. Twist</i>	19
Evaluation of Quilt and Tilt foliar fungicide singularly and in combination with Warrior insecticide treatments for control of leaf diseases, FHB and wheat stem sawfly in spring wheat at Mott, ND 2008. <i>R.O. Ashley and D. Barondeau</i>	22
Producer participatory spring wheat variety evaluation for organic systems in Minnesota and North Dakota <i>H. J. Kandel, P. M. Porter, P. M. Carr, and S. F. Zwinger</i>	27
Wheat grain quality response to tillage and rotation with field pea <i>P. M. Carr, R. D. Horsley, and G. B. Martin</i>	28
Impact of Fall-Seeded Cover Crops and Cover Crop Termination Method on Weed Biomass in the Ensuing Crop. <i>J. J. Gunderson, P. M. Carr, T. Winch and G. B. Martin</i>	29
An Efficacy Trial of Potential Herbicides for Use in Organic Systems <i>J. J. Gunderson, P. M. Carr and T. Winch</i>	37
Organic Vegetable Production in the North Central U.S: Linking Growth Traits to Adaptation and Weed Suppression <i>J. J. Gunderson, P. M. Carr and T. Winch</i>	40

VARIETY TRIAL INFORMATION

2008 Winter Wheat - Recrop	52
2008 Oat - Recrop	53
2008 Durum - Recrop	54
2008 Commercial White Wheat - Recrop	55
2008 Hannover Durum Recrop	56
2008 Glen Ullin Durum Fallow	57
2008 Hard Red Spring Wheat - Recrop	58
2008 Barley - Recrop	60
2008 Glen Ullin Spring Wheat	61
2008 Hannover Spring Wheat	62

GRASSLAND RESEARCH

Physiography, Soil, and Native Vegetation of the Northern Plains <i>Llewellyn L. Manske PhD</i>	63
Managing Drought Resistance into Grasslands <i>Llewellyn L. Manske PhD</i>	92
Environmental Factors that Affect Range Plant Growth, 1892-2008 <i>Llewellyn L. Manske PhD</i>	98

HORTICULTURE RESEARCH

2008 Cultivar Trials of Bedding Plants <i>B.A. Laschkewitsch and R. C. Smith</i>	104
