

Pollinator Workshop

NDSU Dickinson Research Extension Center

Travis Prochaska, John Nowatzki and Ryan Buetow

Join NDSU Extension Specialists Dr. Travis Prochaska, John Nowatzki, and Ryan Buetow from 10am to noon (mountain time) at the NDSU Dickinson Research Extension Center for a Pollinator Workshop. Discussion topics will include important pollinators in the region, practices to increase solitary bees, basics of honey bee keeping and major issues, and what you can do to help pollinators. John Nowatzki will share his first hand experience with beekeeping in North Dakota and cover his successes and failures.
