

North Dakota Forest Service

In Cooperation with the USDA Forest Service

FIRE DANGER SIGN PROGRAM

North Dakota Forest Service Fire Danger Sign Program

| | |
|----------------------------|---|
| Program Administrator: | North Dakota Forest Service in cooperation with the USDA Forest Service. |
| Funds Available: | Signs will be made available on a first requested – first awarded basis, until funds are exhausted. |
| Cost – Share Requirements: | NDFS will provide 100% of the cost for the fire danger sign. The Department will be responsible for all other costs related to this project which includes travel for sign pickup, mounting posts hardware, and labor to install sign. |
| Maintenance Requirements: | The Department will be responsible for pickup of Fire Danger Sign upon notification of sign completion. The applicant agrees to install the sign promptly within one month of sign completion. The applicant agrees to update the sign daily from a minimum of April 1 st to October 31 st of each year, utilizing the North Dakota Fire Danger Rating Map. This information can be found on the ND Response Web page http://www.ndresponse.gov/burn-ban-restrictions-fire-danger-maps . The Department agrees to maintain the sign in serviceable condition at all times. |
| Eligible Applicants: | <u>Only Rural Fire Departments that service a population of 10,000 or less are eligible to submit a Fire Danger Sign Request. Departments must be recognized by and have a valid Certificate of Existence on file with the State Fire Marshal's Office, have a current Cooperative Fire Agreement with NDFS, and report fires through Emergency Reporting.</u> |
| Process Outline: | <ol style="list-style-type: none">1. Submit Fire Danger Sign Application.2. NDFS will notify Department of approval/denial.3. NDFS will authorize department to order approved sign from Rough Rider Industries.4. Department will send pictures of installed sign no later than 60 days after notification of approval. |
| Mail Application to: | Cooperative Fire Protection Manager North Dakota Forest Service 916 E. Interstate Avenue Suite 4 Bismarck, ND 58503 |
