

My 4-H Enrollment

How-to-guide

Who Enrolls

North Dakota 4-H (ND4H) requires online enrollment for every youth member. Adults who wish to apply for screening as a ND4H volunteer are encouraged to enroll as well, but this is not required. Youth and adult members may enroll at any time during the calendar year.

The 4-H enrollment year is September 1 to Aug 31. All youth members must have been at least 5 years old on September 1st, of the current 4-H enrollment year, to enroll.

Membership Types

- * Cloverbud Members (ages 5 to 7)
- * 4-H Members (ages 8 to 18)
- * Adult & Youth Volunteers (ages 18 & up)

4-Honline Enrollment Portal

<https://v2.4honline.com>

To enroll your family in the 4honline system, click on "I need to setup a family profile."

Creating a Family Profile

Your family email will be both your primary contact email, and username. Create a safe password, that you will remember. Your county enrollment will be Grand Forks County.

Adding Family Members

Remember, only youth members are required to enroll. Adults who wish to volunteer are encouraged to enroll, but not required. For each family member, repeat these steps:

- * Select member type (choose ONLY youth or adult)
- * Fill in the requested information
- * Scroll to the bottom, and click "Continue"

Authorization Statements

Please read each authorization statement carefully. Members are required to agree to the Assumption of Risk & Release Statement, and the Participant Expectations and Code of Conduct statements. The Media Release Statement is optional. Members have the option to give permission or to not give permission.

Selecting a Club

Select the club of your choice from the dropdown list. A complete listing of clubs can be found on our website at: <https://www.ag.ndsu.edu/grandforkscountyextension/4h-and-youth> If you are not certain which club you would like to join yet, please contact our office directly to help you find a club that works for you!

Selecting Projects

Youth members enroll in projects by age and interest. Youth members must select at least one project to complete enrollment. Projects can be added or dropped until May 1st of the current 4-H enrollment year. We recommend the following projects for new families:

- *Cloverbud (ages 5 to 7)
- *Creative Arts (ages 8 & up)

Cloverbuds enroll in the Cloverbud project only, no other projects need to be selected. The Cloverbud project is an all-in-one project which covers all available project areas.

Questions

Do not hesitate to contact us with questions during your enrollment experience!
