

Community Support Groups

Does Someone You Love Struggle with Drug or Alcohol Use?

Join us for a **FREE** friends & family support program.

Community Support Groups are a virtual and face-to-face training for the friends and family members concerned about their loved ones who live with a substance use disorder. This program is based on the Community Reinforcement and Family Training (CRAFT) model. The CRAFT model is a highly effective, evidence-based, motivational program that impacts communities and families in multiple areas of their lives.
