Lifestyle Coach Training

This 14-hour training will certify you to be a Lifestyle Coach to deliver the National Diabetes Prevention Program. In 2019, Medicare will reimburse health professionals that provide this education, based on patient results.

Want to start a Diabetes Prevention program at your worksite?
Let me train one of your staff to facilitate this year-long program!

Help to decrease the risk of developing type 2 diabetes:
• By 58% for those 18-60 years old & by 71% for those over 60!
