

Crop Management Field School

Thursday, June 15, 2017

**NDSU Carrington
Research Extension Center
Carrington, N.D.**

Audience and Objectives

The target audience is crop advisers, but farmers and others with agricultural interests are welcome to attend.

The school's objective is to provide updates, using field demonstrations and research trials, on crop, soil and pest management recommendations.

Preregistration

Preregistration is required.

To enroll, submit the completed form and a \$100 fee to the Carrington Research Extension Center by June 12. The fee is \$150 if preregistering after June 12. Preregistration also may be completed electronically at the following website: www.tinyurl.com/CRECstore.

The number of participants is limited to 50. Registrations will be accepted on a first-come, first-served basis. Participants will receive reference materials, one meal and refreshments.

Continuing education unit credits – 6 continuing education unit credits will be available for certified crop advisers (CCAs).

The information presented at the Crop Management Field School is for educational purposes.

References to commercial products or trade names are made with the understanding that no discrimination is intended and no endorsement by the NDSU Extension Service is implied.

A handwritten signature in black ink that reads "Greg Endres".

Greg Endres
Area Agronomist, NDSU Extension Service
