Dickinson Hemp Workshop

NDSU Dickinson Research Extension Center

Join us at the NDSU Dickinson Research Extension Center to learn the ins and outs of hemp production in North Dakota. A wide range of experts from across the state will be discussing the return of hemp to North Dakota fields. We will meet at the NDSU Dickinson Research Extension Center and weather permitting will eventually work our way out to a hemp research plot.

If you have any questions contact Ryan Buetow at 701-456-1106 or at Ryan.Buetow@ndsu.edu
