

Profitable Pastures Grazing School

“A Full Look at Regenerative Grazing”

February 5-6, 2019 9:00-5:00 both days

Ernie French Center-Williston, ND

Instructed by:

Steve Kenyon of Greener Pastures Ranching Ltd.

Topics include:

***Grazing Management, Pasture Rejuvenation, Weed Control,
Water Systems, Winter Feeding and Cell Design***

Steve and Amber Kenyon operate a custom grazing business in Canada. They currently run just over 1200 head of livestock on 3000 acres of leased land. By using extended grazing techniques he is able to pasture graze cattle year round. Steve has been teaching sustainable grazing management for more than 10 years and has been a keynote speaker at many conferences throughout Canada and the US. The Mission Statement of Greener Pastures is **“Economic and Environmental Sustainability for Generations”**. It is important to provide an enjoyable, profitable and sustainable business for future generations.

Be sure to Like Greener Pastures Ranching and Williams County Soil Conservation District for more information!

\$10/person registration fee.

Lunch included with registration.

Please RSVP to Williams County SCD at 701-572-6729 ext. 3 by January 31st.
