

# North Dakota Junior Master Gardener Program Grants

## 2021 Grant Application

Project name: Flowers for Regent

County: Hettinger

Project Coordinator: Amy Herberholz

Lead Organization: Dakota Sunrise 4H Club

Address: 6628 111 Ave SW  
New England, ND 58647

Telephone: 701.290.5942 Email: kaherberholz@live.com

Location of Garden: Regent City Hall

**1. Briefly describe your garden project including its major goals. Please include a description of activities. (150 words or less)**

Our 4H club has had a goal since we started to help the Regent community. Over the winter we decided we wanted to make a flower bed and plant flowers at city hall for all of the community to enjoy. Our 4H members plan to start some of the plants from seed.

**2. How will your project make a difference to its children? (150 words or less)**

This project is a good opportunity for our 4H members to work on a project that the entire community can enjoy. The process of making a flower bed and planting all the plants we start from seed is something when it's complete we believe we will learn a lot from.

**3. How will your project make a difference in your community? (150 words or less)**

The Regent community is small, mostly elderly, and has no school. When our 4H club helps the community, the elderly people are so excited and grateful to see kids helping out and learning. This project our flower bed will be in an area that the community gets together during the summer.

**4. Please estimate the number of participants directly involved in the project:**

Young children (3–12 years old): 8

Teens (13–17 years old): 0

Adults: 2

**5. Briefly list any partners** (such as 4-H, FFA, school, church, garden center, parks department) that are involved. **Briefly describe their roles in the project.** Be very brief.

None.

**6. Budget**

<u>Expenditures</u>	<u>Amount</u>
Soil	\$100
Pots	100
Potted Plants 8.99 x 10	90
Gloves	40.00-50.00
Mulch if need be	25-50
Flower Seed Mix packets	13
<b>TOTAL</b>	<b>\$400</b>

**For projects coordinated by organizations  
outside of NDSU Extension**

**(to be completed by local NDSU educator)**

Please describe your Extension office's involvement in this garden program (recruiting youth, teaching, coordinating volunteers, providing meeting space). (150 words or less)

I have offered to help with the project as a Master Gardener. We will be providing information on the types of flowers that will make the project become achievable. This club is a group of very young kids, with a lot of enthusiasm. They have completed other community projects with the help of their parents and other community members. We will also be using the project for a photography learning experience. I hope to work with a local producer that has a green house for the kids to visit.

I support this project and will work with the coordinator to ensure a positive educational experience for the youth. I can't think of a better club to accomplish this project.

Cynthia Marxen, Master Gardener
