Re: Advisory Council Meeting on Field Day

Dear LREC Advisory Council Members:

Thanks again for your service on the NDSU Langdon Research Extension Center (LREC) Advisory Council! At our last meeting the council requested a brief meeting prior to our 2015 Annual Field Day. We are planning to meet at 7:30am here at the NDSU LREC. The 2015 field day begins at 8:30am.

Our last meeting was held December 15, 2014. I have included the minutes of that meeting for your review. During this brief meeting updates will be provided regarding research and extension happenings at the LREC and a brief update on the outcome of the 2015/17 budgets for the ND Ag Experiment Station and NDSU Extension. Also enclosed is a schedule for our field day.

We would like to convene at 7:30am on Thursday, July 16, 2015, here at the NDSU Langdon REC. Thank you again for your service to the NDSU Langdon REC!

Sincerely,

Randy Mehlhoff
NDSU Langdon REC Director
