November 30, 2012

Greetings McKenzie County Farmers and Ranchers,

I hope all of you had a great Thanksgiving feast and you are ready for the busy Christmas season that is upon us. It's been a mild winter so far but I know many of you are hoping for some moisture, in one form or another, to arrive in the coming months!

This newsletter was put together to inform you of several upcoming agricultural meetings and events starting in December. They will be held in McKenzie County and throughout the state for your convenience. We hope you are able to take advantage of these events in the coming months.

As always, feel free to give our office a call if you have questions or if you have a particular topic you would like to see our Extension office address at the county level.

Merry Christmas to all of you!

Calli Thorne

NDSU Extension Agent, McKenzie County
