STRATEGY

PLAN

To empower families to get started on their succession plan.

Succession Plan takes time. Your family success plan will help you create.
Who should attend?

This program is for families who want to shape the future ownership of their family farm or ranch — the family legacy — whether that is transferring a viable business to the next generation or determining how to divide farm/ranch assets.

Even if you have attended other transition, estate, or succession planning classes, consider attending this program to get a start on your succession plan.

Participant Quotes

"It is often hard to start the conversation and through this workshop we now have the tools."

"Very interesting, made me so much more aware of the importance of planning."

"Having our son register us for this program was the best Christmas gift we ever received."
