

Forestry Fridays

**Presentation to the
North Dakota Forestry Council
March 3, 2022**

Guiding Principles

- Increase understanding of forest management
- Utilize technology to extend our reach
- Build a community

Technology

- Not *another* webinar!
- Friday morning coffee break (10 CT/9 MT)
- 15 minute presentation + 15 minute Q&A
- Zoom Registration
- Videos posted on NDFS website & YouTube

NDSU NORTH DAKOTA STATE UNIVERSITY

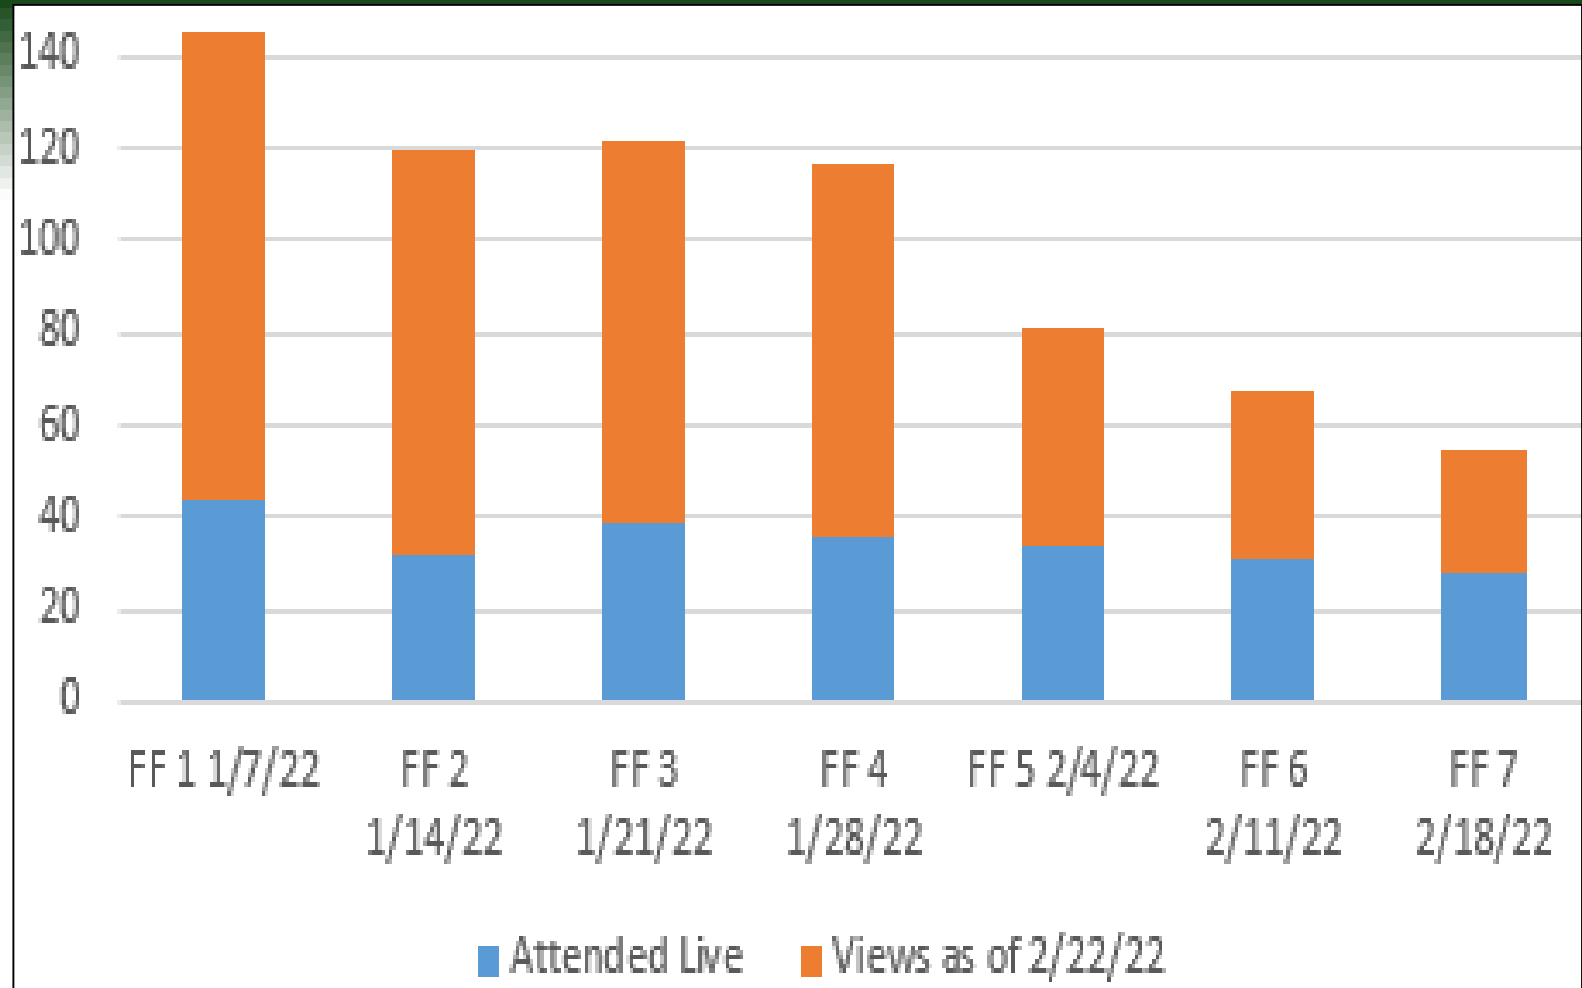

All of you attending this webinar are hand selected experts. The greatest minds in our field. We asked you here so that we could deliver a boring forgettable presentation while you eat your lunch and scroll a round on Facebook.)
