2023 Cooperative Fire Protection Assistance Grants - NON-VEHICLE Information

Cooperative Fire Protection Assistance Grant Overview

Program Administrator	This grant is administered by the North Dakota Forest Service (NDFS) in cooperation with USDA Forest Service (USFS).
Funds Available	Grant funds will be available for the purposes of enhancing fire protection and prevention capabilities of ND Fire Departments (FD). These funds may be used for vehicle purchases, equipment, personal protective equipment, firefighter training, fire awareness, and prevention efforts.
Cost-Share Requirements	The applicant must match at least 50% of the total cost of the project from sources other than the federal government. This amount may be in the form of cash, services, or in-kind contributions.
Maintenance Requirements	The FD gives NDFS permission to examine all records related to purchases or projects receiving grant funds consistent with the Cooperative Fire Agreement to ensure compliance with the program. Additionally, NDFS will conduct a biannual inventory on department awarded grant-funded vehicles.
Application Requirements	<p>FD <i>MUST</i> report all wildfires to NDFS utilizing Emergency Reporting System (ERS), the online fire reporting tool.</p> <p>Only FDs that service a population of 10,000 or less are eligible to submit an application.</p> <p>FDs must be recognized by and have a valid 2023 Certificate of Existence on file with the State Fire Marshal. They must also be National Incident Management System (NIMS) compliant.</p> <p>FDs must have a signed Cooperative Fire Agreement with NDFS. Contact Aaron at 701-328-9946 or Aaron.bucholz@ndsu.edu to complete an agreement.</p> <p>FDs must attach cost estimate or quote sheets for equipment and vehicles to the application. If using an online website, send a copy of the items in the cart or basket. Do not send catalog pages or website pages.</p> <p>If applying for communication and wildland equipment, PPE, training and tools, one application can be used for all of these items. If applying for a vehicle a separate application is required. FD's may apply for both types of grants within the same year.</p> <p>No handwritten application will be accepted.</p>
Application Deadline	Applications must be emailed or postmarked by 11/17/2023. Late applications will not be accepted.
Awards	<p>Applicants will be notified via an award letter sent to the address listed on the grant application.</p> <p>Applicants cannot order or purchase any items to be reimbursed before the arrival of an official NDFS award letter. Estimate(s) or quote(s) are required to be included when submitting the grant application.</p> <p>Award letters will specify what items may be purchased with the awarded grant funds. Any deviation from what is included within the award letter will result in being ineligible for reimbursement.</p>

As of April 4, 2022 the **Unique Entity Identifier (UEI) has replaced the DUNS number**. If you are registered in SAM.gov now, you've already been assigned a Unique Entity ID. It's [viewable on your entity registration record](#) in SAM.gov. If you need to update or renew your registration, you will still need to ensure your renewal or updates occur on time and as required, but this does not affect whether you have been assigned a Unique Entity ID. If you have a registration, you already have a Unique Entity ID. If your entity is not registered now, when you do register your entity in SAM.gov, you'll be assigned a Unique Entity ID as a part of the registration process.
