2017-2018 Award's Day

Sunday, September 30th, 2018 2:00pm at the Extension Office

We believe a major part in youth's growth is recognition for their accomplishments. Please join us in recognizing 4-Her's outstanding accomplishments over the previous year in 4-H. Lakota Cloverleaves club will provide refreshments.

We will be using this day to roll out and review new 4-H materials/requirements. We hope you will join us and please bring a friend!

This will be our final year with current Award Applications—all members are encouraged to apply! **Applications are due September 19th.** Contact us for an application.

Inspire Kids to Do

We believe in empowering kids with the skills they need to succeed. In 4-H mentors inspire kids to be True Leaders through hands-on doing—empowering them to pursue their passions and chart their own course. Support the next generation of 4-Hers in learning critical life skills by inspiring them to DO! Get ready to help your kid learn by doing during #30DaysofDoing.
