

REQUEST FOR SAMPLE SUBMISSION OF PEAS FOR NEMATODE TESTING FOR EXPORT TO INDIA

INSTRUCTIONS TO APPLICANT

Complete this form to request that FGIS send official samples of the pea lots indicated below to the NDSU Plant Diagnostic Laboratory for testing for the nematodes of concern to India (i.e. *Heterodera goettingiana* and *Ditylenchus dipsaci*). You will be billed by the NDSU Plant Diagnostic Lab for these services and they will forward the results to the North Dakota Department of Agriculture.

Complete this form and provide to the FGIS sampler

INSTRUCTIONS TO FGIS

Please forward this form along with peas samples from the lots indicated on this form and the Commodity Inspection Certificate(s) (FGIS Form 993-L) to:

NDSU Plant Diagnostic Lab
306 Walster Hall – NDSU
Fargo, ND 58105
701 231-7854

REQUEST TO NDSU PLANT DIAGNOSTIC LAB

Please test the following pea lots intended for export to India for the nematodes *Heterodera goettingiana* and *Ditylenchus dipsaci*.

Please forward the results to: North Dakota Department of Agriculture
