

PERS Post-Survey
PERS Fruit and Veggie Challenge Survey Instructions

We are interested to learn more about your current fruit and vegetable consumption and the availability of fruits and vegetables to you. The project partners will use this information to evaluate the success of this program and to design additional nutrition education materials and programs in the future.

It will take you about 5-10 minutes to complete this survey. Your identity will not be revealed in the survey results. Only group comparisons will be made and reported in summary form. Your participation is voluntary and you may withdraw at any time. If you have any questions about the survey or would like a copy of the summarized results, please contact Julie Garden-Robinson at 701-231-7187 or email julie.garden-robinson@ndsu.edu. If you have questions about the rights of human research subjects, you should contact the NDSU IRB office at (701) 231-8908.
