ATTENTION AERIAL APPLICATORS

North Dakota Administrative Code 60-03-01-5.1(4) requires that all aerial applicators seeking recertification must show proof of attendance at a Professional Aerial Applicators Support System (PAASS) program at least one time every three years before recertification may be issued.

This means that if you have not attended the PAASS program at the Tri-State Aerial Applicators Convention in 2017 or 2018, you must attend the PAASS program this training season (2019)*.

Please note that the Safety Briefing sponsored by the North Dakota Aeronautics Commission is not a substitute for the PAASS program.
