

**2019 WEBINARS BEGIN  
IN FEBRUARY  
REGISTER NOW!**

## **2019 Field to Fork Webinars begin in February**

[www.ag.ndsu.edu/fieldtofork](http://www.ag.ndsu.edu/fieldtofork)

**Wednesday's from 2:00 to 3:00 p.m.**

### **February**

- 6 – Successful Seed Starting at Home
- 13 – Hops in North Dakota: What You Need to Know Before You Get Started
- 20 – Growing Apples in North Dakota
- 27 – Trendy and Healthy Houseplants

### **March**

- 6 – Cool Fruits for Cold Climates: Selections From Northern Hardy Fruit Evaluation
- 13 – Let's Not Waste Food: Exploring Food Preservation and Composting
- 20 – One Potato, Two Potato, Three Potato, Four: Best management Practices to Produce More
- 27 – How to Identify, Manage and Prevent Common Diseases in Your Garden

### **April**

- 3 – Pollinator Gardens
- 10 – Getting Started with Herb Gardening
- 17 – Best Practices on Health and Hygiene When Handling Foods for the Public

**The webinars will be held on Zoom. A link to register for the webinars can be found on the Field to Fork website (<https://www.ag.ndsu.edu/fieldtofork>). Archived webinars also can be viewed on the website.**

**The webinars are free of charge.** This project is made possible through funding from the U.S. Department of Agriculture's Agricultural Marketing Service. Presenters will be NDSU personnel and special guests.
