

## **CONSUMER CHOICES JUDGING**

Consumer Choices is set for Thursday, May 31<sup>st</sup> at 7 p.m. at the Courthouse. Consumer Choices involves reading a situation and deciding which of the four items in a class is the best for that given situation and ranking them 1st - 4th place. In one of the classes you are required to explain why you placed them the way you did. If you elect to do consumer choices, I will let you know what the categories are when you register.

*(The state information says 13 year olds can participate in Teen or Pre-Teen Division, however, Renville County will be placing youth 13 into the Teen division)*

If you plan to participate in this, please register on the attached sheet by May 1. After I know who is participating, I will schedule a couple workouts (practice sessions). They also have some great information and training sessions at their web-site:
