

2017 Richland County 4-H Behavior Expectations and Waiver

We are privileged to have an opportunity to partner with the Bagg Farm for 4-H events. Along with privilege come some expectations. The following list of expectations is meant to remind all of us to be good stewards of the property and to be respectful to our partners.

Please read through the list with your children. When your family registers for Achievement Days have your signed family copy of the expectations to turn in at the registration desk. This will be necessary in order **to exhibit** at Achievement Days. *Thank you in advance for your cooperation and understanding of the need for good manners.*

- As a courtesy to the Bagg Farm volunteers all 4-H'ers please wear a name tag at all times! Thank you parents and adults for keeping an eye on the children.
- Please avoid running through the displays or out buildings.
- 4-H'ers are known to be good citizens. Thank you for picking up after yourself and others.

For safety and liability purposes:

1. Only approach an animal with permission and owner's presence.
 2. Show animals are welcome on the east side of the road only.
 3. All animals/pets must be current on vaccines.
- Animal waste needs to be cleaned up and hauled home with you.
 - Avoid low wet spots when parking or hauling your livestock to the east side of the Bagg Farm.
 - Please haul drinking water/feed for your animals. (You will have to pail water from west side otherwise.)

Our *footprint* at the Bagg Farm should disappear by the following morning.

All family members **must read the above expectations** and agree that you are willing to comply with these guidelines. **Bring this sheet with parent signature to the registration desk at Achievement Days.**

As a 4-H family we are aware of the inherent risks of horses and animals. I accept that responsibility as a participant/observer of 4-H horse/animal events. I will not hold the Bagg Farm Board, the Richland County 4-H Leaders, Richland County, or NDSU Extension staff responsible for any injuries or death of livestock or people.
