By. Abby Perez

I have learned many things from 4H, all of the clinics have helped me gain my confidence for riding my horse and expand what I know. In 4H we learn many new things like how to show cows, chickens, rabbits ext. Also, there is many fun classes you can take, learning how to hunt, how to do wood work, and take care of animals. There are also many leadership rolls in the meetings, which helps you with school and getting a good job. When you join a club for 4-h there are many new people to meet that will help you learn and you can help them learn. When you're in 4-h you find many things you love to do that you didn't know you would. You have many opportunities to learn new things. In my years of 4H, I have made new friends that will last a lifetime.
