To whomever this concerns,

Hello! I am the vice-president of the Triple-C 4-H club in Cass county, and I am emailing you today to tell you a bit of what 4-H means to me, and how it has helped me grow into who I am today. I have been in 4-H for a total of five years now, and let me tell you, it’s gone by so fast! There are so many things you can do within your club, you’re not just stuck to one thing. I can do photography, i can do leather working, there are a ton of possibilities!

4-H has been a huge part of my life for a long time now, and i cannot imagine a world without it. My club is more of a horse based club than anything but even so we all do different stuff. In addition to all these things, the most important factor of all is that we make great friendships. We meet many people with similar interests, and work as a team to better our community.

Aside from that, 4-H is a very good way to learn life skills to better your life as an adult. It teaches responsibility, caring, and integrity. All very important things to help us as we learn and grow. 4-H also gives us an opportunity to explore our talents, and prepare us for the workforce!

I believe this about sums it up!
Thank you for taking the time to read this email.

Sincerely,
Lilly Quern
