* Days after planting.

** Lodging: 0 = none, 9 = lying flat on ground.

NS = no statistical difference between varieties.

Planting Date: May 3

Harvest Date: August 8

Seeding Rate: 25 lbs/A

Previous Crop: 2008 = field pea, 2009 = oat, 2010 = HRSW.

Note: The 2009 trial sustained moderate hail damage.
