

2020 Stutsman County 4-H Fair Exhibitor's Guide

This handbook contains the information, times, & rules needed to exhibit at the Stutsman County Fair. The Stutsman County Fair 4-H Division exhibit list follows the North Dakota State Fair 4-H Exhibitor book as close as possible. Exceptions, additions and county specific rules are outlined in this publication.

**Pre-registration of all exhibits is required and due online by May 20.
Please read this publication carefully.**

In printing this handbook, we know that errors may occur; the decision of the Stutsman County Extension office and the 4-H Leader's Council will take precedence over printed material.

Clean-up and table set-up for static judging will be in the Rabbit/Poultry barn and will begin at **1:30 PM on Sunday, June 21st**. The Clubs on the rotation should have their members wear clothes they can get wet and dirty!! You will need to sweep the floor and walls, wash down tables & chairs, and help set up the tables and posters for the Static exhibits. If the weather permits, we will take the chairs and tables outside and wash them down with a hose. The following clubs are assigned to help with clean-up/set-up and will be rotated annually alphabetically. If your club has enough members/leaders to ensure there are enough to clean and set up, you may also start setting up your booth, otherwise you may start after set up is done. Someone from the Extension office will let you know what needs to be done and how things should be set up.

We will count on ALL participants helping to take down and move around AFTER the static judging is done.

BOOTH SET UP / TAKE DOWN

The rest of the clubs may start setting up their booths—make sure they are swept out (bring brooms/dust pans) and clean up the aisle after you are done. Hammers, nails, screw guns, wood screws, and staple guns may also be needed for your booth. Please have fun with this!! Release of static exhibits will be from 8:30 to 9:30 pm on Saturday, June 27th and from 9-11 am on Sunday June 28th. Booths can be taken down at either of those times. **State Fair STATIC entry forms must be turned in and those exhibits put in the booth set aside for state fair items if you wish to leave them there.** Any item left without an entry form will not be eligible to go to the State Fair. See more details on page 7 & 14 under State Fair Entry Information.

General Exhibit Rules

- 1) **IAFE Code of Ethics:** Please read the IAFE National Code of Show Ring Ethics in the general rules section pages 4 & 5 of the 2020 North Dakota State Fair 4-H Division Exhibit List on. These rules apply to this show.
- 2) CAMPERs – please be aware of the possibility of inclement weather and have a plan in place. There is no approved tornado shelter on the fair grounds.
- 3) **** NO FIREWORKS ALLOWED ON FAIRGROUNDS PER FAIR BOARD****
- 4) Clubs have been assigned suggested times to begin the static judging process. This will help balance waiting lines and ensure everyone gets done judging by 5:00 PM. Talk to your organizational leaders if you can't make it at that time. You are welcome to come earlier than your assigned time. See the Fair Schedule on page 2 for the scheduled time for your club. Absentee forms must be signed and approved by your 4-H leader and submitted to the Extension Office by June 19th or brought to the registration table on June 22nd.
- 5) Exhibitors must be enrolled members, and to be eligible to receive premium money from an exhibit, must have attended five club meetings or four club meetings and participated in one state or county contest/event as approved by their club Organizational leader, by June 1. **NOTE – THE 5 MEETING REQUIREMENT MAY BE ADJUSTED PER RECENT EVENTS.**
- 6) The penalty for not following exhibit rules is a drop of one ribbon placing or no premium.
- 7) Misbehavior by 4-H members will be cause for immediate dismissal from the fairgrounds and forfeiture of all premiums. Each club is responsible for chaperoning its members. Members and leaders are expected to adhere to the Behavior and Conduct Expectations that were agreed upon during enrollment in the 2019-2020 4-H year.
- 8) All 4-H participants/exhibitors will follow 4-H Dress Code and the Stutsman County dress code. ALL STATE FAIR T-SHIRT COLORS ARE APPROVED—**NO OTHER LOGO BUT THE 4-H EMBLEM ALLOWED.** The following exception is: Horse Show: Observe dress code as stated in the North Dakota 4-H Horse Show Rules and Judging Guide (2019).
- 9) Exhibits must be made or prepared by the 4-H member. **The member must be enrolled in that 4-H project during the current 4-H club year.** Exhibits should reflect the age of the member and the number of years enrolled in a project.
- 10) All projects to be considered as entries must be in place on the fairgrounds and properly checked in or judged by specified times on entry days. All projects judged must remain on exhibit for the duration of the fair. Any exhibits removed before official checkout time will result in forfeiture of all ribbon premiums. Exceptions must have the early release authorization form signed by the fair board and Extension office by June 19th. Emergency situations will be excused if Extension is notified.
- 11) Age group determinations will be based on the exhibitor's age on September 1, 2019.
- 12) **The North Dakota 4-H program allows 4-H members to exhibit animals that are either “owned” by the 4-H member and/or their family OR “leased” from a livestock owner. The intent of the lease program is to provide opportunities for 4-H members to be involved in livestock projects who lack financial resources needed to purchase and care for an animal or lack the facilities and equipment necessary to provide proper care of the animal. Lease forms are found on the website and are due May 15st for the year 2020 only.**
- 13) **ANIMAL ENTRIES:** Use class information for your animal entries from the class lists pages 16-24 IN THIS BOOK—not the State Fair book. Overall and grand/reserve championship classes on class lists are not to be entered, you qualify for them in the respective classes that are noted.
- 14) **STATIC ENTRIES:** Use the ND State Fair book for your division, class and/or group entry information.
- 15) **CLOVERBUDS** see page 6 ****
- 16) **LIVE PET ENTRIES** see page 8 for your class entry numbers and rules.
- 17) **If you see an asterisk (*) before your class number – it means this class is only at our fair – not state.**

Cloverbud Exhibitor Information

Stutsman County 4-H invites our Cloverbud 4-Her's to participate in the fair. Participation ribbons will be given to all participants. Registration for these lots are done just as other 4-H exhibits - sent in to the office by the registration deadline. Following are the lot numbers the Cloverbud needs to use for registration – ONLINE ENTRIES ARE DUE MAY 20TH:

Static exhibits (MAX 4 static entries—any 4-H project area, age appropriate) Class #8801, 8802, 8803, 8804

Live Pet – Details on Page 8 – class 8601

Showmanship—see class lists pages 16-24 for specie specific class numbers

Horse Walk-Trot (see page 16 for details) - Class #1407

PLEASE UNDERSTAND THE FOLLOWING - taken from the NDSU website:

The purpose of the North Dakota 4-H Cloverbud project is to foster the development of life skills essential to the cognitive, social, emotional and physical growth for youth ages five to seven (5-7) years old.

The focus of recognition for the 4-H Cloverbud Program is participation. 4-H Cloverbud members may receive participation ribbons, certificates and other appropriate 4-H recognition that encourages continued involvement. The 4-H Cloverbud Program is a noncompetitive program. There is NO judging or evaluation, but they will be interviewed by a judge to learn how that works and learn more about their projects.

Any Cloverbud interested in the showmanship classes may bring in their own animal which does not need to (but can) stay at the fair (see below for Dairy, Beef & Sheep requirements). Cloverbuds may borrow a mentor's, or another 4-Her's, animal for the class. For the horse walk-trot class, ownership is not required—for safety, the saddle must fit the rider and a helmet must be worn.

We would like to promote mentoring by older 4-Hers with the Cloverbuds - and as a Cloverbud parent and/or leader, please help them to make contact with an older 4-Her with an animal they are interested in to use or for instruction. This mentor can help teach the Cloverbud how to care, train, and work with an animal project, and can also be with the Cloverbud in the ring during the showmanship/walk-trot class for safety, support, and helping explain how to show (not to DO the showing, but to help explain WHAT to do).

ONLY ANOTHER 4-HER (in 4-H dress) CAN BE IN THE SHOW RING WITH THE CLOVERBUD.

With the help of 4-Hers and leaders, the Cloverbud will understand and have the knowledge needed for the competitive classes when they turn 8 years old.

*****The dairy, beef, and sheep showmanship animal a Cloverbud uses in showmanship should be a calf or lamb born after January 1 of the current year (the other species have no age requirement). We do not want to keep any Cloverbud from participating, but because safety is a concern, it is felt that a smaller animal works better in these classes. There will be animals available for use, which is why it would be great if a mentor is contacted before the fair. Please contact the Extension office if you have a problem finding an animal to use.*****

Skill-a-Thon

CHANGES THIS YEAR – each entry will be given as set time for the interview, tests can be taken at any time from 1-4:30 pm —there must be 3 entries per specie for the test to be offered.

This contest DOES count towards the Premier Livestock Exhibitor Cash Award!!

Contest will take place Monday June 22 starting at 1:00 pm - Oasis Building

You must pre-register online!! Entries are due May 20th! Practice questions are on our website.

Contact Extension Office or go to the Extension website for this information also

Static Information

STATIC ENTRIES ONLY—use the state fair book for all your entry numbers & rules

ENTRY DEADLINE IS MAY 20, 2020 and MUST be done ONLINE

IF YOU HAVE PROBLEMS ENTERING ONLINE, CONTACT ROBIN. Judging for static exhibits will be held between 1:00 PM and 5:00 PM on Monday **June 22, 2020**. Please read all the information on the next two pages to prepare for exhibiting your static projects.
Any further questions can be directed to the Extension office.

GENERAL RULES

The Stutsman county 4-h static judging is based off a Danish judging system which is comparing exhibits to a set of standards and not by judging one person's work compared to another's. The judges will have the ability to award an honorable mention (turquoise) ribbon.

- **Class/Group static numbers** are ONLINE and are also in the state fair book - rules for how many you may enter are also in there.—**ENTRIES DUE MAY 20TH.**
- **All exhibitors must check in at the registration table (south end of Rabbit/Poultry Barn) on the day of judging. You will be given a paper with your entries listed – you must check each of them and if there are any drops or changes, we will fix it before you go any further.** Please have yourself organized to help speed up the process.
- **PHOTOGRAPHY EXHIBITS** – up to 2 entries per group are allowed. Only 2 will be allowed to go to State.
- There will be color dots applied to your exhibit tag that will represent the ribbon you received. Make sure you have a dot before you leave the table.
- **ABSENTEE JUDGING:** If, for an approved reason (form signed by your 4-H leader), you will not be present, please pick up an absentee judging form and instructions from the Extension office or online. This form **must accompany your exhibits.**
- **Dropped Exhibits: We encourage you to enter many items, but please don't enter more than you can do. Limit your drops to only 1 or 2 please.**
- **Changes are allowed only if the first two digits of your entered class is the same as the one you want to change to.** Example – you entered class 5105 – you could change to 5171, but not to 4202. **THIS NEEDS TO BE APPROVED.**
- **Parents:** Judging is between the 4-H member and judges only. Conversations between the judges and members are to be considered private. Parents—let your child handle this alone—they can do it! The key to a successful experience is to practice interview judging at home before the fair, and follow the exhibit rules.
- **Pictures:** Don't forget to get your picture taken!
- **Eggs:** Only leave the empty carton in your club booth. Do not leave the eggs to avoid waste.
- **Garden produce exhibits – Horticulture Classes**
For individual classes, please exhibit the quantity stated in the State Fair book unless the total number required is greater than three. Then, only exhibit half of the number required. (example: 12 peas should be reduced to 6 peas, 6 beets should be reduced to 3 beets). Preparation guidelines are found in *Harvesting and Exhibiting Vegetables* publication can be found here: <https://bit.ly/2sKsohY>. (on our Stutsman county extension webpage: under 4-H, county fair, static exhibits labels)
- **Healthy Living exhibits:** You need to bring the whole product in for judging, but only need to leave a sample of your product for display. For example, one cookie, one slice of cake or pie. **Jams/Jellies:** To avoid waste, please bring two jars of the same product. Take home the one opened by the judge, and leave the sealed one for display. **All other exhibit rules for this division may be found in the State Fair book.**
- **Signed early release forms** will be required if you absolutely need to remove your exhibit before the release time. This form will need to be in to the office by **June 19th**, or you will need to take it to Mike Williams for his signature before turning it in.

State Fair Static Entry forms are in the packet you receive at check-in/registration on Monday or Wednesday. These will need to be filled out and turned in with your exhibit when you put it in the state fair booth, or noted if you are bringing it in later. Animal state fair entries also need to be turned in. Contact Robin for more information.

****PLEASE READ THROUGH THE RULES FOR YOUR DIVISION IN THE STATE FAIR BOOK—THESE ARE JUST SOME HIGHLIGHTS.****

BEST OF SHOW

One “Best of Show” award will be presented in each of the 7 project areas (listed above). Static judges will determine this award of their respective areas from the best items they have judged in that project area. These items will be set behind the judges and the decision will be made once all the exhibits have been judged. Ribbons will be presented right after the Award of Excellence contest.

IF YOUR PROJECT HAS BEEN HELD BACK BY A JUDGE:

The judges will hold back the items they deem eligible for grand, reserve, and/or best of show. After determinations are made, items will be moved to the holding table. Please check these **holding tables** for projects that may be yours. If it is on this table, please take it to your club booth. Do not remove any item that is sitting behind the judges.

AWARD OF EXCELLENCE

Pre-Registration is requested

There are 3 age groups for this award: Junior—age 8- 11, Intermediate—age 12-14, and Senior—age 15-18. If not pre-registered, you **MUST** register your table before judging begins. Participants should bring a chair and a card table—set it up (decorations/table cloth, etc) to display 6 static exhibits from at least 3 of the above named project areas. Members are responsible for setting up their own table. Judging criteria is based on originality, creativity, quality of work, how well it grabs the judge’s attention, diversity, and communication skills. Members will stand by their tables so the judge may ask questions about their exhibits—4 minute max per interview. They will then remain seated by their table until all are judged. We have some card tables, but not enough for everyone—please let us know if you need one. Ribbons will be presented when judging is completed.

Static award champion premiums/awards will be announced and given at the Parade of Champions—June 27th at 4:30 pm in the Livestock Arena.

Please be ready to help move tables and chairs before and after these Static events—thank you!!

ROUND ROBIN LIVESTOCK SHOWMANSHIP RULES

Stutsman County has two divisions (different than the State Fair) in their livestock showmanship events—Senior (13-older) and Junior (12-younger). If you are participating in a showmanship class, **you must pre-register by May 20th**. Please use the class numbers associated with your specie (division) found on the Class Lists pages 19-23 in this book. **The championship competition will be held Friday, June 26th at 4:30 pm** **Contestants and the animal they won with will be posted in the livestock barn by 1:30 pm or 1/2 hour after the beef show is over.**

The 1st place showmanship winner in Beef, Dairy, Sheep, Goats, & Swine will be eligible for the Round Robin Showmanship Championship contest. A 4-H member who wins first place in two or more species has the option of choosing which specie he/she wants to show in the Round Robin. This must be decided by the end of the last showmanship class and you must let Meredith Schmidt know.

Showmanship winners must show the same animals in the Round Robin contest that they used in their individual showmanship contests unless prior approval is granted by the Livestock Committee. If the 1st place winner is ineligible, the 2nd place (or 3rd) showman will be eligible to compete. Junior and Senior competitions will be at the same time.

The contest will consist of showing each specie for 3 minutes each. Juniors and seniors will show together during the same time frame (so one junior and one senior for each specie shows in the same group and rotate together though the species). After 1 1/2 minutes, the junior and senior showman switch animals. Then, at the end of the 3-minute period, both contestants will be instructed to move to the next station and assume another showman's animal. The contest will continue in the same manner through each specie. The contest will be complete when the contestant has returned to his/her own animal.

Those entering the Round Robin contest will provide the appropriate equipment (combs, brushes, show stick, cane etc.) for their respective specie. Equipment will be left at the stations for the other contestants to use. Judging: There will be a judge for each specie; Contestants will be judged on their showing ability, knowledge, and appearance. Judges will use the scorecard provided, and score on a 1-10 point scale.
