Veterinary Technician Needed

Full time or part time.

Beach Veterinary Clinic is a mixed animal practice in Beach, ND. Our mission statement is: “To provide superior individualized health care plans, tailored to the specific needs of each patient or herd.”

We are looking for a person with a positive attitude who enjoys interacting with clients and other staff members. Reliability and attention to detail are essential. Vet tech students are welcome to apply (internship/mentorship programs are available as well.)

The majority of our work is dogs, cats, and cattle, but we also see sheep, goats, horses, rabbits, guinea pigs, snakes, lizards, and more. We are a small one doctor practice with wonderful clients. Our hours are Monday through Friday 8am to 5pm, and the first and third Saturdays of the month.

Job description- caring for animals (dogs, cats, horses, cattle, sheep, and more), placing IV catheters, monitoring IV fluids on hospitalized patients, medicating patients, giving injectable medications, calculating drug dosages, restraining animals for veterinary work, running blood work, reading cytology slides, preparing samples to go to outside labs, monitoring patients under anesthesia, cleaning and autoclaving surgical instruments, taking x-rays, entering notes into medical records, interacting with clients, and more.

Additional tasks as needed- cleaning kennels, cleaning (sweeping, mopping, vacuuming), cleaning stalls and pens, clipping and bathing dogs and cats, painting, lawn care, laundry, and more. We see a wide variety of animals and cases, so each day is different and never boring!

Benefits include- paid time off, health care benefit bonus, pet care discounts, continuing education allowance, paid holidays, and clothing allowance (benefits are based on length of employment and hours worked per week.)

Apply in person or by email (beachveterinaryclinic@gmail.com). Please include a resume with references. If interested in an internship/mentorship type experience state this in your application.
