4-H member:

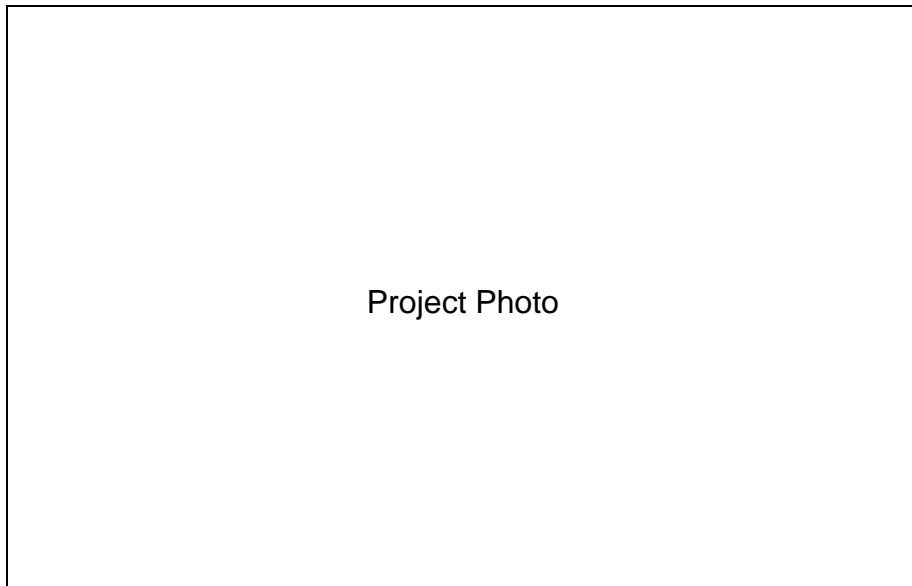

Project _____

Name _____ Club _____

Age _____ Years in the project _____ Years in 4-H _____ Date project started ____/____/____

Parent's name _____

Address _____

Caption: _____

Feed Bought

Enter each lot of feed as it is purchased or received. Leave a line between each month's entries so you can total the value of feed for that month.

“**Kind**” means corn, oats, barley, alfalfa, etc. “**Amount**” means the number of pounds (lbs), bushels (bu), or hundredweights (cwts). “**Price**” means cost per bushel or hundredweight. “**Value**” means the amount times the price.

If more space is needed make your own lined sheet and include it with this record.

Date	Kind of feed	Amount	Price	Value

Dairy Project Expenses

Include all money spent on projects, except feed. Include animals purchased, insurance, interest, marketing charges, trucking, etc., and any cash outlay for labor.

Date	Items	Expenses
Total:		

Dairy Project Receipts

Include all income received from sales and cash awards. Estimate value of meat, milk, and cream used at home.

Date	Item	Receipts

Dairy Project Business Summary

This is your financial statement for the year.

Exhibits during the year	# of Exhibits	List of ribbons received
