19th Annual Wild World of Weeds Workshop
January 17, 2017 - Fargodome

7:30 AM  Registration

8:20 AM  Opening remarks

NDSU Weed Control and Herbicide Research Updates:
8:30 AM  Dr. Clair Keene - Area Extension Agronomist, Williston R&E Center
8:45 AM  Dr. Caleb Dalley - Research Weed Scientist, Hettinger R&E Center
9:00 AM  Dr. Brian Jenks - Research Weed Scientist, North Central R&E Center, Minot
9:30 AM  Dr. Harlene Hatterman-Valenti - Research Scientist, High Value Crops, NDSU
9:45 AM  Greg Endres - Area Extension Agronomist, Carrington R&E Center

10:00 AM  Break - 2nd Floor Hallway

NDSU Research Updates cont.
10:20 AM  Dr. Mike Ostlie - Research Weed Scientist, Carrington R&E Center
10:40 AM  Dr. Rod Lym - Research Weed Scientist, Noxious and Perennial Weeds, NDSU

Invited Speaker:
11:00 AM  Dr. Bob Wolf, Professor Emeritus, Kansas State University
   Application Technology used with Herbicides and New Seed Technology

12:00 PM  Lunch - Lower Atrium

Invited Speaker:
12:50 PM  Meaghan Anderson, Area Extension Educator, Iowa State University
   Dissemination of Palmer Amaranth through Planting of Native Seed Mixtures

NDSU Research Updates cont.
2:00 PM  Dr. Mike Christoffers, Weed Geneticist, NDSU
2:15 PM  Dr. Kirk Howatt, Research Weed Scientist, NDSU
2:30 PM  Dr. Tom Peters - Extension Weed Scientist, Sugarbeet, NDSU/U of MN

3:00 PM  Break - 2nd Floor Hallway

3:20 PM  Andrew Luecke - Graduate Student, Sugarbeet tolerance to S-metolachlor
3:30 PM  Dr. Greta Gramig - Research Weed Scientist, Weed Ecology, NDSU
3:45 PM  Samantha Hogstad - Graduate Student, Weed Shifts from No-Till + Grazing
3:55 PM  Dr. Andy Robinson, Extension Potato Agronomist/Weed Scientist, NDSU/U of MN
4:10 PM  Nelson Geary, Graduate Student, Dicamba/glyphosate drift effects on potato yield
4:20 PM  Devin Wirth, Graduate Student, Are HSMOC adjuvants created equal?
4:30 PM  Dr. Rich Zollinger, Extension Weed Scientist, NDSU

5:00 PM  Workshop concludes
